

FOGAM3.2 ReadMe – June 2025

General:

- The Full Rules are now identified as **Ver3.2** on each page.
- The Full Rules are now dated **Jun-25** on each page

Changes to The Full Rules:

- Updates new to version 3.2 are highlighted in **RED**
- Updates for previous version are highlighted in **BLUE**
- Every effort has been made to ensure that page numbers have not changed.

Version 3.2 had the following pages updated from version 3.1:

<u>Page</u>	<u>Brief description of change</u>
14	Undrilled foot may now be in battle groups of 9.
27	MF with bows etc. reduced to the same speed as HF.
31	Changes to turning if blocked by other BGs.
34	Clarification of rule for routers meeting friends.
41	Deletion of surplus wording for units contacted on a side or rear.
60	Elephants can now shoot – if their army list gives them shooting weapons.
61	Clarification of visibility and shooting.
62	Clarified that elephants can only shoot with a front rank.
70	Clarification about BGs losing combat dice against the same opponent.
72	BGs in column now get a -POA when receiving a charge.
74	Removed a restriction to Bw* not being allowed to 'support shoot'.
91	Removed the 'Death Roll' bonus for elephants in 3s.
92	Added a table detailing the bases required to be lost to cause an 'autobreak'
109	Defined "Front Edge", how they work for battle groups facing in more than one direction.
112	Restricted the number of hills that may have additional terrain placed on them.
116	No Flank arrival roll is made on the first turn of the player moving first.
120	Repeat of 116.

The following pages have no change other than **RED** text changed to **BLUE** text to make it easier to identify the latest changes: 43, 52, 54, 77, 84, 96, 97, 102, 106, 108, 109, 133
